EarthFall Essentials offers a variety of natural and organic oils and aloe vera solutions for cosmetic, food-beverage, personal care, bulk apothecaries, and nutraceutical manufacturers and formulators.

Cultivated and produced to ensure biological and chemical functionality is preserved, these natural and authentic herbal ingredients strengthen the appeal of any consumer product and boost the efficacy of a wide range of cosmetic and personal care formulations.

Aloe Vera's soothing and conditioning properties make it one of the most sought-after botanical ingredients for cosmetic and personal care formulations. The herbal qualities of aloe vera have been used for millennia to soothe a wide range of skin concerns, improve the youthfulness and quality of skin and hair, and encourage the own skin's natural health and vitality.

Worldwide, aloe vera is a popular ingredient in functional food and beverage formulations. For centuries, people have turned to the herbal qualities of aloe vera to soothe the digestive system, support health, and contribute to overall dietary health.
